

Who's worried about a little water?

Not MiraTEC® trim. Thanks to a unique manufacturing process that treats natural wood fibers with zinc borate and binds them with phenolic resins, MiraTEC is remarkably resistant to moisture, rot and termites. That's why it's backed with an industry-best 30-year warranty. MiraTEC looks and handles just like wood, with the long-term performance and durability of PVC and fiber cement. At a fraction of their cost. So make the jump to MiraTEC. The water's fine.
